

Lenten Jesus Tree Verses

GOSPEL OF MATTHEW

Ornaments by www.dosmallthingswithlove.com

Listed below are the verses that correspond with the ornaments of the Jesus Tree. There are 41 Ornaments in this set, one for each day of Lent, and one for Easter. The dates listed below are just to keep you on track, if you would like. Please note that Sundays are not considered part of Lent, and no ornament is assigned to any Sunday.

There are two different versions of the Jesus Tree, one that follows the Gospel of Matthew and the other that follows the Gospel of John. Below are the verses for the **Gospel of Matthew**. Over the course of Lent, if you do every ornament, you won't read the whole book, but you will come close. If you'd prefer, you can, of course, read about these stories in one of the other Gospels as well. Make sure to use the ornaments designed for the Gospel of Matthew with these verses.

Again, please note, *there is no ornaments assigned to the Sundays during Lent* as Sundays are not included in the 40 days of Lent.
