Conquering Challenges with
God's Mighty Power

Ready for the Adventure of a lifetime?

At Everest VBS kids learn to conquer challenges with God's mighty power! Each day, leaders reinforce one simple Bible truth—which makes it super easy for kids to remember and apply to real life! Bible Point crafts, team-building games, cool Bible songs, and tasty treats are just a few of the Expedition activities that help faith flow into real life. (Since everything is hands-on, kids might get a little messy. Be sure to send them in play clothes and safe shoes.)

Plus, we'll help kids discover how to see evidence of God in everyday life—something we call God Sightings. Get ready to hear that phrase a lot! (Your children should dress comfortably and bring a pillow or stuffed animal to sit on.)

So, register your child(ren) now and mark on your calendar: August 3-7, 2015. The fun starts at 9:00 a.m. and will end at Noon.

*If you have a high school student interested in early childhood development, they are welcome to assist as facilitators. For more information or if you have any questions, please contact Diane Murphy at 781.245.5770.

Meet our Everest Bible Buddies

Klymer here! I'm a spectacular snow leopard! God gave me just the right stuff to keep me warm and protected on high, snowy mountaintops. I'll remind kids that **God has the power to provide!**

It's me, Cliff! We marmots burrow deep into the mountain to stay safe and warm. The way the mighty mountain wraps around me can remind kids that our mighty **God has the power to comfort.**

I'm Mallory! Bar-headed geese are special because we're the highest fliers around-we can even fly over Mount Everest! My high-flying wings remind kids of

the way God helps us overcome hurt hearts and broken bodies. **God has the power to heal.**

Greetings from Pike! I'm a mighty mountain goat called a markhor. My spectacular spiraling horns are sharp! Sometimes *people* say sharp words or do things that hurt. When that happens, it's good to know that **God has the power to forgive!**

Yup, I'm Yeddy! Himalayan brown bears like me spend a *lot* of time in our cozy cave homes. We hibernate for months and months and months! Someday God's followers will spend *forever* in

the most amazing place of all-heaven! I can remind kids that **God has the power to love us forever.**
