JULY 2019

### Summer Events!

***Summer is officially upon us, which means there are fun, community building events to attend!***

One July 9th, the Youth Group will be making sandwiches for the homeless! This is always an event that students look forward to because they know they are doing something that is directly

making a difference in people's lives. Last time, we made over 100 sandwiches to be donated to the Lazarus House in Lawrence!

In the month of August, we have three fellowship events. During Youth Group on August 6th, we will be having a fire pit to roast marshmallows and make s'mores. On August

17th, there is a BBQ/concert event at La Salette Shrine in Attleboro. The acclaimed LIFT band from will be performing, and it's a wonderful opportunity to see the shrine grounds. Finally, on August 27th during Youth Group, we will be having an end of summer luau!

**Hope to see your child at an upcoming event!**
