MARCH 2018

## Lenten Opportunity: LIFT!

Can you believe we are just about at the halfway point for Lent?! Now is a great time to talk to your kids about their Lenten observances. Have they been following through? What can you do to help them? Are they growing closer to God during this time?

One way the Archdiocese of Boston helps teens grow closer to God is through a monthly praise and worship

night called LIFT. If your child has never experienced this amazing event before, it is a combination of praise and worship, a live speaker, opportunity for confession, and a chance to meet, interact, and pray with

hundreds of teens from the area. March 13th is the next opportunity for our high schoolers to be able to attend this event.

If you would like to find out more about LIFT, you can visit their website at

## Upcoming Youth Events

Please RSVP for each event to Carissa at [cscudieri@stjosephwakefield.org](mailto:cscudieri@stjosephwakefield.org)
