St. Joseph's Parish Youth Ministry

OCTOBER 2018

Another CCD Year - Even More Opportunities!

I cannot believe it is that time of year where a new group of students will join the ranks of Youth Ministry! I'm very excited to have the opportunity to meet all of the incoming 9th graders and will continue working with our 10th, 11th, and 12th graders in their faith journey!

With that being said, I am thrilled to invite **ALL**

high school students to our **Youth Group Kick Off Night** on Tuesday, October 23th from 6:30 - 8:00pm in the Youth Room. We will be ordering pizza and getting to know each other!

This year, Youth Ministry will have even more events for youth to attend, including service opportunities, speaker events, praise and worship

concerts, movie nights, and shrine pilgrimages! Please keep up to date with our newsletter calendar each month!
